## Functional aspects of reconstructive surgery

### Poster Session 87

**Monday, 27 March**

**15:45 - 17:15**

**Location:** Room Stockholm, North Hall (Level 1)

**Chairs:**
- H. Abol-Enein, Mansoura (EG)
- E. Chartier-Kastler, Paris (FR)
- M. Hohenfellner, Heidelberg (DE)

**Aims and objectives of this session**

To assess the functional results of various bladder reconstruction techniques.

Poster viewing of 20 minutes. Presentations will take place on stage. Standard presentations are 2 minutes in length, followed by 2 minutes for discussion.
