Men's sexual health: Focus on treatment of erectile dysfunction and Peyronie's disease

Poster Session 28

Saturday, 25 March 16:00 - 17:30

Location: Room 7, Capital suite (level 3)

Chairs: M.M. Fode, Herlev (DK)  
D. Hatzichristou, Thessaloniki (GR)  
J. Romero Otero, Madrid (ES)

Aims and objectives of this session
This session will provide the audience with the most recent clinical evidence on the treatment of erectile dysfunction and Peyronie's disease. The main aim is to leave the audience with ideas which can be implemented in everyday clinical practice.

Poster viewing of 20 minutes. Presentations will take place on stage. Standard presentations are 2 minutes in length, followed by 2 minutes for discussion. Extended presentations (*) are 3 minutes in length, followed by 3 minutes for discussion.

*368

Safety and potential effect of a single intracavernous injection of autologous adipose-derived regenerative cells in patients with erectile dysfunction following radical prostatectomy: 12-month follow-up
By: Haahr M.1, Jensen C.H.2, Sørensen J.A.3, Sheikh S.P.4, Lund L.1
Institutes: 1Odense University Hospital, Dept. of Urology, Odense, Denmark, 2Odense University Hospital, Dept. of Clinical Biochemistry and Pharmacology, Odense, Denmark, 3Odense University Hospital, Dept. of Plastic Surgery, Odense, Denmark, 4Odense University Hospital, Dept. of Clinical Biochemistry and Pharmacology, Odense, Denmark

369

A pilot study on the safety and feasibility of VL#FIA3-30 - a newly developed topical agent for treating erectile dysfunction
By: Appel B., Massarwa O., Gruenwald I.
Institutes: Rambam Health Care Campus, Dept. of Urology, Haifa, Israel

370

Multicenter investigation of the microorganisms involved in penile prosthesis infection: An analysis of the efficacy of the AUA and EAU guidelines for penile prosthesis prophylaxis
Institutes: 1Dartmouth–Hitchcock Medical Center, Dept. of Urology, Lebanon, United States of America, 2CentraCare Health, Dept. of Urology, St. Cloud, United States of America, 3Boston University Medical Center, Dept. of Urology, Boston, United States of America, 4Boston University Medical Center, Dept. of Medicine, Boston, United States of America, 5Urology Associates of North Texas, Dept. of Urology, Arlington, United States of America, 6Rush University Medical Center, Dept. of Urology, Chicago, United States of America, 7NYU Langone Medical Center, Dept. of Urology, New York City, United States of America, 8Beth Israel Deaconess Medical Center, Dept. of Urology, Boston, United States of America, 9Faculdade de Medicina Do ABC/Instituto H. Ellis, Dept. of Urology, São Paulo, Brazil, 10Massachusetts General Hospital, Dept. of Urology, Boston, United States of America, 11Yale School of Medicine, Dept. of Urology, New Haven, United States of America, 12University of Buenos Aires, Dept. of Urology, Buenos Aires, Argentina, 13Northwestern Memorial Hospital, Dept. of Urology, Chicago, United States of America, 14The University of Texas Health Science Center At Houston, Dept. of Urology, Houston, United States of America, 15Perito Urology, Dept. of Urology, Miami, United States of America, 16Columbia University College of Science, Dept. of Urology, New York City, United States of America, 17University of California, San Francisco, Dept. of Urology, San Francisco, United States of America, 18Northwestern University, Dept. of Urology, Chicago, United States of America, 19University of Maryland, Dept. of Urology, Baltimore, United States of America, 20University of Illinois, Dept. of Urology, Chicago, United States of America, 21University of Pennsylvania, Dept. of Urology, Philadelphia, United States of America, 22University of Southern California, Dept. of Urology, Los Angeles, United States of America, 23The University of Texas at Austin, Dept. of Urology, Austin, United States of America, 24Stanford University, Dept. of Urology, Stanford, United States of America, 25University of California, Los Angeles, Dept. of Urology, Los Angeles, United States of America, 26The University of Alabama at Birmingham, Dept. of Urology, Birmingham, United States of America, 27Tulane University, Dept. of Urology, New Orleans, United States of America, 28University of South Florida, Dept. of Urology, Tampa, United States of America, 29University of Miami, Dept. of Urology, Miami, United States of America
Penile prosthesis implantation preserves and may increase penile size irrespective of implant type
By: Giona S.¹, Habous M.², Abdelwahab O.³, Laban O.⁴, Mahmoud S.², Nassar M.², Tealab A.⁴, Binsaleh S.², Mulhall J.³, Muir G.¹
