

'Sleepless nights': Would you do the same again?

Plenary Session 01

Saturday, 25 March
08:30 - 10:00

Location: eURO Auditorium (Level 0)

Chairs: T.S. O'Brien, London (GB)
B. Leigh, London (GB)

Aims and objectives of this session

To explore controversies in Renal cancer management through the prism of the law court. If events didn't go to plan, would the decisions you made stand up to scrutiny by a lawyer? Expert urological surgeons will discuss the evidence for why they managed the case in the way they did; they will then be cross examined by legal counsel.

During the plenary sessions, French and Spanish translation will be provided. Please collect your headset in the session room prior to the start of the session and return it after the session.

Meet the speakers of the plenary session:

Delegates are able to meet the speakers of the plenary session immediately at the end of the session in the foyer of the eURO Auditorium (Level 0). Do not miss this opportunity to meet and greet the speakers and to consult them for any questions you may have.
